

## **Head of High School (7-12)**

Heritage Christian School is a co-educational, K-12 independent Christian school located in Port Macquarie NSW. We are part of the seventeen strong NSW Christian Education National community. Over the past five years the School has experienced significant growth, and we are grateful for God's rich blessing.

The School caters for a diverse group of students where academic rigor, welfare and pastoral support programmes provide a safe, inclusive and challenging learning environment. We are proud of our students, our staff, and our School.

We are seeking Expressions of Interest from suitably qualified educators committed to Christian education, enjoying life, and high academic standards for the Head of High School role. Our priority is preparing and equipping students from widely varying backgrounds to go out and change the world for Christ. We cannot promise you it will be easy, but we can promise you tears, joy, success, support, challenges and victories as we honour God with everything we have in His service.

This role will be a key component of our academic programme development. We are looking for someone who has the experience and capacity to drive our High School forward in accord with the School's strategic goals.

In the first instance applicants are required to submit a current Resume, and a covering letter outlining their experience, passion for Christian Education and making a difference in student's lives.

**The closing date for Submissions of Interest is Friday, 6 October 2017.**
