

Employment Opportunity at Heritage Christian School

Science Teacher FTE 1.0

We are seeking expressions of interest from a suitably qualified educator to join Heritage in the position of Science Teacher. This position would suit a passionate teacher with suitable qualifications to teach Science, in the High School context (Stages 4-6.) Additional subject areas may be an advantage and will be negotiated with the right applicant. This will be a contracted position initially. Position to commence 20th January 2020.

Applicants must:

- Be suitably qualified and registered with NESA, eligible to teach in NSW.
- Should include a Curriculum Vitae, cover letter and a current Working with Children's Check.
- Be a committed Christian involved in their local church and committed to Christian education

Applications close: 23-09-2019

For an application package please contact our Executive Assistant on the details below.
