

## **Employment Opportunity at Heritage Christian School**

### **Mathematics Teacher FTE 1.0**

We are seeking expressions of interest from a suitably experienced educator to take on the position of Mathematics teacher. This position would suit a passionate Christian teacher with ability to teach Mathematics across the Secondary School including Stage 6. Position to commence January 2021. This will be a contracted position initially, but this can be negotiated for the right applicant.

Applicants must be:

- Active Christians involved in their local church and committed to Christian education.
- Suitably qualified and registered with NESAs; eligible to teach in NSW.
- Able to show evidence of vaccination status concurrent with the Public Health Order.

Applications should include:

- a Curriculum Vitae,
- a cover letter,
- A completed Heritage Christian School application form,
- a current Working with Children's Check.

**Applications close: 25/11/2021**

For an application package please contact our Executive Assistant on the details below.
